**This form is used to:**

- Document whether the student meets the eligibility criteria for orthopedic impairment and the basis for that determination in accordance with 20 USC §1414;
- Meet the requirements of OAR 581-015-2155, OAR 581-015-2120, and 34 CFR 300.8 regarding the need to establish eligibility for special education services;
- Document the date that initial eligibility was established and the date that the eligibility is re-established;
- Provide a place for the team to sign the statement and indicate whether or not each member agrees or disagrees with the eligibility determination;
- Document that the parent was given a copy of evaluation report(s) and eligibility statement.

**Directions:**

1. Enter the date the form was completed by the team.
2. Enter the student's complete legal name; do not use a nickname.
3. Enter the student's school.
4. Enter the student's date of birth.
5. Enter the date of initial eligibility.
6. The team must review existing information, including information from the parent(s), the student's cumulative records, previous IEPs or IFSPs, state assessment information, and other relevant information. Document the date this information is reviewed by the team.
7. List the required evaluation elements. Indicate the name of the test(s) used, the examiner who conducted the test(s) and the testing date(s). If data is being reviewed only (e.g., for reevaluation), indicate the review date. *Attach documentation of each evaluation.*
8. Indicate if the student meets the eligibility criteria.
9. Indicate if the student needs special education.
10. A child shall not be determined to be a child with a disability if the determinant factor is lack of instruction in reading or math or due to limited English proficiency. Indicate if the student's special education needs are due to:
  - a. A lack of appropriate instruction in reading, including in the essential components of reading (as defined in section 1208(3) of the Elementary and Secondary Education Act of 1965). The "Essential Components of Reading Instruction" means "explicit and systematic instruction in:
