Book	4152	Sibshops: Workshops for Siblings of Children with Special Needs	This practical resource explains how to plan a workshop and details suggestions for activities and group discussions. Ages 8 to 13.
Book	4177	Skills Inventory for Teams (SIFT): A Resource for Teams	Developed specifically for EI practitioners to help them evaluate their ability to work as a team and identify staff development needs. Specifies the skills needed by team members.
Book	4159	Someone Special Died	Designed to help young children to identify and deal with the various stages of mourning following the death of a loved one. Ages 3 - 6.
Book	4222	Special Health Care in the School	Exceptional children at risk, CEC mini-library.
Book	4505	Special People, Special Ways	A poem about the ways in which people with many differences in physical and mental ability share the same needs for love and understanding. Ages 3 - 7
Book	4111	Spina Bili-Ties: A Young Person's Guide to Spina Bifida	A teen-friendly guide to coping with the medical, self-care and emotional issues of spina bifida, with an emphasis on becoming as independent as possible. Easy reading, humorous illustrations.
Book	4519	Strategies for Inclusion: A Handbook for Physical Educators	Helpful sections on training peer tutors and IEP development. Features reproducible skills rubrics and modifications checklists for specific activities.
Book	4472	Strategies for Teacher Collaboration	A guide for providing collaborative consultation to teachers. Includes sections on problem-solving, interpersonal aspects, and avoiding potential pitfalls.
Book	4577	Succeeding in the Inclusive Classroom K-12 Lesson Plans Using Universal Design for Learning	Strategies for applying principles of UDL to lesson planning to provide multiple means of representation, expression and engagement. Features elementary and secondary level sample lesson plans to address learners with a wide range of challenges.
Book	4388	Sudden Impact	A motorized vehicle occupant protection fact book.
Book	4226	Support Networks for Inclusive Schooling	Methods for developing natural supports for students with disabilities in inclusive settings. Includes a chapter on a team approach to program development and support.
Book	4427	Swallowing Disorders: What Families Should Know (Revised)	Booklet explains why swallowing precautions are recommended and outlines family's role in facilitating safe feeding.

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Book	4535	Take Five! Staying Alert at Home and School	Sensorimotor strategies for self-regulation. Many ideas for simple, practical, low-budget activities to support children's learning.
Book	4164	Taking Seizure Disorders to School	Designed and written to be read aloud in the child's classroom. Fills the need for explaining seizures to classmates of children with epilepsy. Dispels myths in an upbeat and entertaining style.
Book	4200	Teaching a Young Child with Motor Delays	A guide to supporting motor function in educational settings for parents and professionals.
Book	4493	Teaching Communication Skills to Students with Severe Disabilities	Ideas and strategies for facilitating improved communication of both students with complex disabilities and communication partners in inclusive classrooms.
Book	4192	Teaching Individuals with Physical and Multiple Disabilities	Methods for instruction and program development. Pre-IDEA, but a useful resource.
Book	4130	Teaching Literacy to Students with Significant Disabilities	Strategies for the K-12 Inclusive Classroom, including teaching literacy skills, accommodations, linking IEP goals to State standards and assessment.
Book	4231	Teaching Motor Skills to Children with Cerebral Palsy and Similar Movement Disorders	A resource to help school staff and parents of young children to understand why daily intervention can help a child achieve greater independence.
Book	4122	Teaching Nontherapists Positioning and Handling in Educational Settings	TIES Manual: Lifting and holding suggestions for classroom staff.
Book	4201	Teaching with Toys: Making Your Own Educational Toys	Easy to make, fun to use toys aimed at expanding a child's potential.
Book	4175	Team Practices Profile (TPP): A Self-Rating Instrument for Teams	A tool to help teams identify discrepancies between current practices and recommended practices in service delivery and team interaction.
Book	4104	The Activities Catalog: An Alternative Curriculum for People with Severe Disabilities	A guide to "The Activities Catalog", a curriculum that helps prepare young adults with disabilities for integrated home, leisure and work settings.
Book	4377	The Balancing Girl	Explores peer relationships and self esteem in the context of a first-grade classroom. Ages 5-8. Special Needs Project
Book	4110	The Bereaved Parent	This small, but powerful book offers guidelines and practical step-by-step suggestions to help parents cope with every stage of grief, from the perspective of a parent who has herself experienced bereavement.
Book	4419	The Care of Children with Long-Term Tracheostomies	Compilation of articles on medical interventions, developmental interventions and care in the home.
Book	4409	The Cognitive Rehabilitation Workbook	A dynamic assessment approach for adults with brain injury.
Book	4471	The Consulting Therapist	A guide to the provision of educationally relevant consultative services. Reproducible forms for observing student performances, developing a consultation plan, observing the environment, and assessing consulting skills.

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Book	4108	The COTA in the Schools	Expores the role of the Certified Occupational Therapy Assistant, federal legislation and integrated therapy, and therapy ideas.
Book	4501	The Educator's Guide to Feeding Children with Disabilities	A practical guide to help the feeding team develop a plan to address each child's unique feeding needs. Includes helpful planning forms.
Book	4490	The Educator's Guide to Medical Issues in the Classroom	Information, tips and strategies for accommodating students with special needs in the classroom, communicating with medical professionals and collaborating with families.
Book	4330	The Inclusion Papers: Strategies to Make Inclusion Work	Articles from the Centre for Integrated Education and Community.
Book	4513	The Inclusive Classroom: A Practical Guide for Educators	Guidance and practical strategies for implementation, plus reproducible forms. Includes 8-week curriculum on "How to Succeed in School".
Book	4132	The New Language of Toys: Teaching Communication Skills to Children with Special Needs	A fresh hands-on approach to using everyday toys to stimulate language development in children with special needs from birth through age six. A guide for parents and teachers.
Book	4140	The Paraprofessional's Guide to the Inclusive Classroom: Working as a Team, 2nd Edition	Practical, creative workbook includes field-tested activities, reproducible forms, planning guides.
Book	4130	The Peer Tutoring Handbook - Promoting Co-operative Learning	A step-by-step guide to organizing peer tutoring, using a minimum of time, effort, and special materials.
Book	4497	The Section 504 Trainer's Manual	A step-by-step guide for in-service and staff development. Includes black-line masters for use as handouts or in presentations.
Book	4568	Therapeutic Activities for Home and School	Provides therapists with uncomplicated, reproducible activity sheets and tips that can be given to teachers and parents.
Book	4202	Therapy Just for Fun Therapeutic Play for Physically Disabled Children	Therapeutic play for children with physical disabilities.
Book	4564	Tools for Parents	A handbook of tools which help bring sensory integration into the home. Used to address challenging behaviors and enhance attention and motor skills.
Book	4563	Tools for Tots: Sensory Strategies for Toddlers and Preschoolers	Provides practical, developmentally sensitive, and creative information for creating an optimal fit between environments and young children.
Book	4572	Topics in Physical Therapy - Pediatrics	Home study course designed for therapists changing their area of practice or desire an update to the basics.
Book	4171	Transdisciplinary Play-Based Assessment: Revised edition	A model for conducting holistically accurate assessments of children from infancy to age 6, using natural play interactions.
Book	4576	Transition Strategies for Adolescents & Young Adults Who Use AAC	Up-to-date research, lively case examples, and down-to-earth how-to strategies. Topics include literacy instruction, self-determination, relationships and social engagement, medical and health transitions, and assessment. From the Augmentative and Alternative Communication Series.

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Book	4106	Transporting Medically Fragile or Technology-Assisted Students	In-depth guide to transportation of students with chronic health conditions affecting busing or who require assistive technology on the bus.
Book	4573	Treating Eating Problems of Children with Autism Spectrum Disorders and Developmental Disabilities	A two-part book written for caregivers and professionals, presenting behavioral interventions and approaches on solving a child's resistance to eating.
Book	4436	TRICS For Written Communication	Techniques for Rebuilding and Improving Children's School Skills (TRICS).
Book	4136	Uncommon Fathers: Reflections on Raising a Child with a Disability	A compelling collection of essays by fathers about the life-altering experience of having a child with a disability. The first book written by fathers, for fathers.
Book	4319	Utilizing Switch Interfaces with Children Who Are Severely Physically Challenged	A comprehensive guide to identifying the right switch, building switch mounts, training in scanning and choice-making and adapting a slide projector.
Book	4521	VISTA, Vermont Interdependent Services Team Approach: A Guide to Coordinating Educational Support Services	A practical, step-by-step framework for making support services decisions using a collaborative approach that enhances team effectiveness and efficiency.
Book	4211	Vocational Preparation and Employment of Students with Physical and Multiple Disabilities	Preparing students for transition from school to work.
Book	4402	We Can Do It!	Photo-illustrated book about capabilities of children with different disabilities: Spina Bifida, Down Syndrome, Cerebral Palsy, Vision Impairment.
Book	4482	What's a Group to Do? A Collection of OT Activities	A collection of group activities with clearly stated goals and objectives and required function levels for each activity. Many game and craft ideas.
Book	4336	When Your Child Goes to School After an Injury	A guide for families in preparing for their child's entry or return to school after a serious injury.
Book	4215	When Your Child is Seriously Injured	Solutions to potential pitfalls from child's admission to hospital through discharge.
Book	4401	Why Am I Different?	A book for all children about individual differences. Elementary level.
Book	4216	Workplace Workbook	An illustrated guide to job accommodations and assistive technology.
Book	4213	Young Children in Action	A cognitively oriented pre-school curriculum framework.
Book	4138	Your Child Has a Disability	A complete sourcebook of daily and medical care.
Book	4480	Aaron's Awful Allergies	Aaron must give away his pets when he finds out he has allergies. Then he finds a special pet that doesn't make him sneeze and is just as much fun.
Book	4428	Mobility Opportunities Via Education (M.O.V.E.)	A top-down, activity-based curriculum designed to teach students basic functional motor skills. Includes Video.

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Book	4109	Paying the Bills: Tips for Families on Financing Health Care for Children with Special Needs	Practical information on dealing proactively with health insurance and public health programs, tackling medical bills, influencing decision-makers, finding alternative funding, etc. (2nd ed.)
Book	4206	Practical Considerations for School-Based Occupational Therapists	Resources for efficient, best practice services. Includes CD of selected forms and questionnaires.
Book	4103	Special Needs Transportation Handbook	In depth, comprehensive guide to transporting students with special needs. Useful accompaniment to training of bus drivers or transportation assistants.
Book	4499	Susan Laughs	With insight and subtlety, without sentimentality, the author describes a happy little girl whose physical challenges are never seen as handicaps. Ages 3 -7
Book	4492	Teaching Self-Determination to Students with Disabilities: Basic Skills for Successful Transition	Strategies, instructional methods, and hands-on activities provide a variety of ways to promote autonomous behavior and reinforce learning and practice of self-realization for youth with disabilities.
Book	4397	Teaching the Child with Spina Bifida	Explores social, personal and cognitive development as well as teaching strategies. Includes video.
Book & CD	4566	Providing Physical Therapy Services under Parts B and C of the Individuals with Disabilities Education Act	Published by the Section on Pediatrics of APTA. Provides updates in response to feedback from first edition.
Book & CD	4150	Strategies for Promoting Literacy with Students who have Physical Disabilities, 3rd Edition	Strategies and adaptations to promote reading and writing skills in students with severe motor or other limitations, including students who are nonverbal.
Book & CD	4565	Tool Chest: for Teachers, Parents, and Students	Can be used to assist in identifying function of behavior, address accommodations, environmental changes and proactive strategies.
Book & DVD	4210	Design to Learn: An Environmental Inventory	Creating opportunities for active participation and learning in everyday classroom activities for students with severe disabilities. DVD of examples.
Book & Video	4449	Making Assessment Accommodations: A Toolkit for Educators	IDEA Partnerships guide to assessment accommodations for administrators, general educators, special educators, related service personnel, paraeducators. Includes staff development activities.
Book, DVD/CD	4190	Buses and Trains for Everyone	Curriculum, teaching guide, DVD and student workbook on using public transportation for grades 4 - 8.
CD	4556	The New IDEA: An Occupational Therapy Toolkit	Interactive training tool and reference guide for OT's and educators. Resources and links include AOTA analyses and implications for practice.
DVD	4137	A Credo for Support	A wake-up call for respect and equity in services to people with disabilities by a noted speaker who has CP.
DVD	4281	Caring for Physically Ill and Medically Needy Child-Part 1	A resource for providing educational services to children with complex health needs. (2 parts)
DVD	4551	Feeding with Love and Good Sense	Video presentations on the infant, the older baby, the toddler, and the preschooler

## RSOI Loan Library Catalog

Type	Item #	Name	Description
DVD	4209	OREST Training DVD: Jimmy	Depicts a motor evaluation for regional OI eligibility. To accompany training in the use of the Oregon Regional Eligibility Screening Tool (OREST).
DVD	4553	Taking Tube Feedings to School	Describes the steps in sending tube fed children to school.
DVD	4552	The "Get Permission" Approach to Mealtimes and Oral Motor Treatment	Outlines a treatment method based on the principles of healthy, trusting feeding relationships.
DVD	4554	The Journey from Tube Feedings Towards Oral Feedings	An approach for parents of tube-fed children, to provide information, strategies, and support in an environment of confidence and trust.
DVD	4555	Tube Feedings are Mealtimes, Too!	For parents with children on supplemental tube feedings. Provides supportive, clear information with demonstrations.
Kit	4301	68th Annual AOTA Conference	Guidelines for OT in EI, Self-Esteem for Children, Supported Employment.
Kit	4299	Accepting Individual Differences	Motor, visual and hearing impairment, mental retardation and overview.
Kit	4426	Clinical Observations of Motor and Postural Skills (COMPS)	Identify a number of subtle motor coordination problems in children 5-9 years old. Includes COMPS scoring sheet, joint measurement tool and instructions.
Kit	4425	Nutritional Management of Dysphagia	Includes a therapist's guide, patient booklet and reproducible copies of a Dysphagia Diet .
Kit	4155	Peabody Developmental Motor Scale	An early childhood motor development program that provides both in-depth assessment and training or remediation of gross and fine motor skills in children birth through 5.
Kit	4160	Shirt Protector Pattern	Reproducible pattern for age- appropriate bibs.
Kit	4298	Small Wonder Program	Activity cards and user guide for baby's first 18 months.
Kit	4541	Super Study Wheel	A visual, motor, and kinesthetic tool to enhance independent study skills. Students refer to the wheel to problem-solve before requesting adult help.
Kit	4413	Toddler and Infant Motor Evaluation (T.I.M.E)	Provides a comprehensive assessment of eight subdomains related to the motor abilities of children 4 months to 3.5 years old.
Kit	4297	We Did It...So Can You	Teacher training program for inclusion in the general education classroom.
Kit	4199	Wii Fit Plus and Wii Sports with Balance Board	Wii game with balance board. Combines fun and fitness into one product. It can change how you exercise, how you balance, and even how you move. The Wii Balance Board reads real-life movements and brings them to life on screen, just like the Wii Remote™ controller. Realistically snowboard down a mountain or walk a tight rope—it's just one more way to get into the game.
Video	4147	A New IDEA for Special Ed: Understanding the System and the New Law, a Guide for Parents, a Tool for Educators	A video to help parents and educators understand IDEA. Importance of the collaborative relationship is stressed throughout.
Video	4280	All Kids Belong	Documentary about a student's successful move to a general education class.

Video	4469	Collaborative Planning: Transforming Theory into Practice	Specific practical strategies to assist school teams to plan collaboratively for differentiated classroom instruction and sharing of responsibilities.
Video	4470	Collaborative Teaching: The Co-Teaching Model	Specific strategies for general and special educators to help ensure successful co-teaching in inclusive classrooms. Provides clear, concise, research-based information.
Video	4255	Decision-Making Therapeutic Guidelines for Seating and Positioning	Video of a presentation at a conference. It starts with a review of basic muscle tones. Useful for new teachers who need more information about muscle tone and positioning and how it impacts students' overall abilities.
Video	4526	Direct Therapy Strategies for Feeding and Swallowing Problems	Illustrates therapy techniques to mediate jaw control, lip and tongue activation, bite reflex and chewing. Suitable for instructing classroom staff. Volume 4 of 7.
Video	4157	Discover IDEA: Supporting Achievement for Children with Disabilities.	Award-winning video gives an orientation to IDEA and its four basic tenets: IEP development, least restrictive environment, positive behavioral supports and large-scale assessments. Includes a packet of IDEA resource brochures.
Video	4430	EasyStand 5000	Product video.
Video	4431	EasyStand Magician	Product video.

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Video	4149	Effective Intervention for Self-Feeding Success	Demonstrates the step-by-step reverse chaining method for teaching feeding to children with feeding challenges. Training tool for school staff and parents.
Video	4320	Effective Strategies for IEP Development	Ed-Net Session I : Developing collaborative IEPs.
Video	4166	Ensuring Student Success Through Effective Collaborative Teaming	TIES, 2001, Keynote speaker Yvonne Swinth, OTR presents methods, resources and considerations for collaborative team practice.
Video	4262	Error Correction	Excellent training resource for staff or parents on how to correct errors to maximize learning. Includes video and work book.
Video	4252	Family Centered Care	Partnerships between families and health professionals facilitate services to children with special health care needs.
Video	4527	Feeding and Swallowing: The Development of Early Skills (Feeding and Swallowing Series)	Stages of normal feeding development and the difficulties that can interfere in feeding skill development. Suitable for training classroom staff. Volume 6 of 7.
Video	4529	Feeding and Swallowing: The Identification of Medically Related Issues	Addresses issues of gastroesophageal reflux (GERD) and aspiration and medical management. Suitable for training classroom staff. Volume 7 of 7.
Video	4285	Friends of... Clubs: A Community Partnership	Describes a method for promoting friendships between children with special needs and nondisabled peers. Includes video and book.
Video	4403	Front Wheel Drive Cycles	Product video: Shows a variety of bicycles for children with disabilities.
Video	4390	Getting a Grip on Handwriting	Discusses the skills involved in writing and suggests many activities for improving handwriting. Excellent resource. Includes set of video and book.
Video	4524	Identifying and Managing Oral Hypersensitivity	Simple suggestions to help child and care provider work toward more relaxed and productive feeding. Suitable for training classroom staff. Volume 2 of 7.
Video	4326	Incorporating Related Services into the IEP	Oregon Ed-Net Broadcast, pre-IDEA.
Video	4528	Indirect Management Strategies for Feeding and Swallowing Problems	Basic strategies for management of the meal time environment, sensory issues, food textures, etc. Suitable for training classroom staff. Volume 5 of 7.
Video	4156	Intrathecal Baclofen Therapy: Release Potential, Restore Control	Video describing Baclofen pump therapy, and the experiences of several individuals of different ages. Includes a short book suitable for children ages 3-6, entitled "Ann's Medicine Pump".
Video	4253	Job Design Strategies for Persons with Physical and Multiple Disabilities	This excellent resource presents 5 job adaptation strategies to enable supported employment for individuals with disabilities.
Video	4317	Just Regular Kids	Describes inclusion of students with physical disabilities.
Video	4117	Kids Just Want to Have Fun!	Award-winning video promoting understanding and acceptance of children with physical differences. Kids speak for themselves. Includes teacher guide. Grades K - 5

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Video	4512	Kids Like Me (Kids in Wheelchairs)	Children who use wheelchairs tell how it feels to use a wheelchair at school. Includes rules for “Buddies” of kids who use wheelchairs. Ages 10 - 15
Video	4441	Kinesthetic Fine Motor Activities	Training activities to improve kinesthetic sense of body position, movement and weight as preparation for writing.
Video	4496	Learning and Growing Together with Families: Seven Ways to Build Strong Relationships	Specific ways to build strong collaborative relationships with families. Includes “Partnering with Parents to Support Young Children’s Development”, by Jeree Pawl and Amy Dombro.
Video	4312	Learning Together	Working toward inclusion in all aspects of school, community and society.
Video	4284	Leveraging Funding from Public and Private Insurers for Assistive Technology	Teleconference: Strategies and tactics for funding assistive technology.
Video	4150	Making Dressing More Independent for the Child with Neuromotor Challenges	Assisted self-dressing techniques are presented. By structuring the task and providing postural support, the child experiences success, leading to more active participation and potential independence.
Video	4533	Medical Issues Impacting Feeding and Swallowing	Excellent overview of symptoms and interventions of commonly occurring conditions. Illustrates videofluoroscopy, surgical treatments.
Video	4184	Mobilift CX Mobile Bridge Ramp	Vendor’s demo about a unique mobile device designed to lift wheelchairs over longer stairs or obstacles, such as onto a stage.
Video	4248	Monitoring Integrated OT and PT Programs	TIES Session by Sue Nelson, OT and Glen Cote, PT
Video	4412	Movin' On	Documents educational and professional accomplishments of six people with disabilities.
Video	4440	Neurokinesthetic Approach to Teaching Handwriting: Volume 1 & 2	Discusses the rationale behind the neurokinesthetic approach to handwriting instruction, and how it can be incorporated into the classroom.
Video	4125	No Barriers: The Mark Wellman Story	Mark Wellman, athlete, adventurer and wheelchair-user, climbs Yosemite’s Half Dome, goes sea kayaking, alpine skiing, white-water kayaking, and cross-country skiing. Positive and inspiring.
Video	4476	Normal for Us: The Miller Twins	Inspiring story of the unique achievements of the Miller Family of Soldotna, Alaska. Parenting, mobility, inclusion, play.
Video	4342	Normal Infant Reflexes and Development	Infant reflexes demonstrated with real babies. Useful for therapists in working with families or staff who are working with very young children.
Video	4400	OBERTI: A discussion on Inclusion	Video teleconference from Pennsylvania. The Oberti family and legal experts are interviewed about this landmark legal decision.
Video	4530	Oral-Motor Assessment for Pediatric Feeding Disorders	Noted clinician demonstrates 12 specific areas of assessment to identify problem areas and determine treatment strategies for school-aged children.
Video	4444	OREST: Kayla Video	Depicts a motor evaluation for regional OI eligibility. To accompany training in the use of the Oregon Regional Eligibility Screening Tool (OREST).

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Video	4260	Partial Participation	Video and workbook illustrate the partial participation approach to instruction of students with significant learning challenges.
Video	4254	People with Physical and Multiple Disabilities Supported Employment Demo	Illustrates job adaptations to facilitate access to employment in community settings for individuals with significant disabilities.
Video	4247	Positioning for Infants and Young Children with Motor Problems	Positioning young children to enhance participation in daily activities. Suitable for training classroom staff or families.
Video	4494	Positive Results: Working Effectively with Difficult People	Essential skills and practical techniques for interacting effectively with difficult people in the context of situations occurring in special education.
Video	4445	Potty Learning for Children who Experience Delays	Presents approaches for training toileting skills for children with disabilities or delays. Management and strategies for specific problem solving are presented.
Video	4434	Powerful Non-Defensive Communication	Techniques for improving professional communication skills. Sharon Ellison, keynote speaker, 1998 TIES Conference, Eugene, Oregon.
Video	4261	Prompting	Video and workbook illustrate how to correctly use prompting to teach independent task performance.
Video	4272	Providing Work Experiences for Students with Physical and Multiple Disabilities	Explores the role of the school program in training students with significant disabilities for post-school supported employment in community settings.
Video	4237	PT/OT Consultation	A workshop on integrating therapy goals into functional activities, with Oregon specialist Pat Tangeman.
Video	4241	Rachel, Being Five	Shows how inclusion can work well, showing Rachel in a wide variety of activities in her classroom and on field trips.
Video	4242	Rachel's Team	Illustrates collaborative team process in a case study format. Includes IEP development, incorporation of therapy goals, roles of team members etc. Pre-IDEA, but still relevant.
Video	4251	Regular Lives	Students relate how they experience life with a disability. (Includes video and book.)
Video	4263	Reinforcement	Explains the role of reinforcement in managing behavior. Includes video and book.
Video	4343	Sensory Integration Therapy	Narrated video illustrates interventions to support sensory integration in a variety of activities.
Video	4467	Sensory Processing in Schools: Identification and Intervention Planning	2002 TIES Keynote presentation, by Winnie Dunn, OTR, Ph.D., author of the Sensory Profile and the Infant Sensory Profile.
Video	4495	Serving Medically Fragile Students	Examines school districts' responsibilities to medically fragile students after the Supreme Court's landmark Garret F. decision, and the issues involved.
Video	4244	Shakisha and Friends	Depicts the story of one child's successful inclusion in elementary school.
Video	4325	Speak Up for Health	Young people with chronic illness and disabilities speak about independence in health care.
Video	4473	Successfully Parenting Your Baby with Special Needs	Parents and professionals explain the role and benefits of Early Intervention. Supportive and empowering.

## RSOI Loan Library Catalog

Type	Item #	Name	Description
Video	4307	Supported Living - New Community Options	Illustrates supported living options for adults who have significant disabilities. Produced by the specialized Training Program, University of Oregon.
Video	4273	Talking is Sharing	Explains how communication with young children aids language development.
Video	4259	Task Analysis	Video and workbook illustrate how to break tasks into teachable components for instruction of students with significant learning challenges.
Video	4267	Teaching Nontherapists to Protect Their Backs	TIES: Training in safe lifting and physical management of students with disabilities. Includes reproducible manual.
